## Order Film and get the 15% WebQuote discount

[Click here](#) to confirm your details and order film.

On receipt of your order the film is pre-cut to 20 millimetres over size and shipped to you ready for installation. The film installer is advised of your job and will call you to schedule a suitable day and time for the film installation. You pay the installer the quoted amount for installation on job completion.

## Comparing Quotes? Remember we have a Lowest Price Guarantee

1. Let us know if you are quoted a lower price on a film we stock (and we stock all the leading brands, incl 3M).
2. If you are quoted a price that is less than the WebQuote price shown above, we will not only beat the competitor quote by \$50, we will also provide FREE shipping.

**For example** if our online price is \$500 and their price is \$470, the price guarantee is triggered and you pay \$420 including delivery. (ie. \$50 off their price of \$470 and free delivery).

BUT, if our online price is \$500 and their price is \$501, the price guarantee is not triggered.

This offer applies to online quotes only on orders over 5m2 [See conditions](#)

## Thank you for using Tinting Direct WebQuote!

Thanks again for using our online job costing service. If we can be of any assistance please feel free to contact us via the details below. I enjoy chatting with customers about what they want to achieve and then working through the identification of the best film for the job - a film that will do what they want without any unexpected outcomes.

Kind Regards,
